Maheen Ishtiaq

Web Developer & UI/UX Designer

About Me

I am a dedicated web developer with a passion for crafting user-centric designs and building responsive, visually appealing websites. My goal is to blend technical expertise with creative problem-solving to deliver high-quality digital experiences.

Work Experience

Front-End Developer

Creative Solutions

2022 - Present

- Developed responsive web applications using React and Bootstrap.
- Collaborated closely with UI/UX designers to implement intuitive interfaces.
- Optimized web applications for maximum speed and scalability.

UI/UX Designer

Pixel Perfection

2020 - 2022

- Designed and developed modern web interfaces using Figma and Adobe XD.
- Led the redesign of high-traffic websites, resulting in a 20% increase in user engagement.
- Worked cross-functionally with development teams to ensure design consistency.

Leadership & Activities

- President of the Tech Society at COMSATS University (2019-2020)
- Organized and led hackathons, coding bootcamps, and design workshops.
- Mentored junior students in web development and UI/UX design practices.

Volunteering

- Volunteer Web Designer for XYZ Non-Profit
- Organized coding sessions for underprivileged students in Lahore.

Projects

Portfolio Website

Developed a personal portfolio website using HTML, CSS, and JavaScript to showcase my design and development projects.

E-commerce UI Design

Designed a modern e-commerce interface using Figma and Adobe XD, focusing on user engagement and seamless shopping experiences.
